## ABOUT US

**Memane International** is an APEDA (RCMC) registered export company based in Pune, Maharashtra, India. Founded by Tejas Memane, the company was established with a vision to connect global buyers with premium-quality Indian products through reliable sourcing, transparent business practices, and efficient international trade solutions.

We specialize in the export of agricultural commodities, including rice, spices, fresh fruits, fresh vegetables, dairy products, edible oils, frozen foods, seafood, and other food products sourced from trusted farms, processors, and manufacturers across India. Our commitment to quality, compliance, and customer satisfaction enables us to serve importers, distributors, wholesalers, and retailers worldwide.

At Memane International, we provide complete export support, including product sourcing, quality assurance, packaging customization, export documentation, logistics coordination, and shipment management. Our objective is to deliver Indian products to international markets with consistency, integrity, and professionalism.

|                                                                                     |                      |                                                                        |
